MEMORANDUM FOR THE RECORD

SUBJECT: General F. Trubee Davison's Proposed Trip to Sarawak

1. After having assembled the rather meager information that we have on the current situation in Sarawak I called General Davison today. I informed him that scattered instances of what appears to have been Communist terrorist activity have taken place in recent months in the southwestern part of Sarawak, in and around Kuching, the capital. (General Davison intended to visit the southwestern area.) I informed him that a stand-by emergency law had been passed some time ago by the local government, and that this had apparently been invoked recently as a result of the incidents.

2. General Davison said that he intended to get ahold of Ambassador Douglas and see if he could take advantage of [redacted] on the subject. In any event he did not intend to make a decision as to the trip for some time to come.

3. I undertook to advise General Davison of any additional important information that might come to our attention.
